Memo No.:

Dated:

Date: 30.08.2025

All concerned are hereby informed that as per the directive of the Director of Public Instruction, Government of West Bengal, and in reference to the Hon'ble Supreme Court's order dated 24.03.2025, a National Task Force (NTF) has been constituted to address student mental health and suicide prevention in all the institutions of higher education in the country

As part of this initiative, all stakeholders are requested to fill out the prescribed online questionnaires available on the NTF website (<https://ntf.education.gov.in/>) within the stipulated time frame. The aim of this exercise is to collect valuable insights from institutions, students, parents/guardians, and faculty members. Institutions will contribute towards refining systemic and policy-level recommendations; students will be able to share their views and experiences; parents and guardians will provide perspectives on supporting students in higher education; and faculty members will help strengthen institutional efforts for student well being.

All students, faculty members, and parents/guardians associated with this college are informed to complete the questionnaire at the earliest (Before 1st September, 2025) to ensure meaningful participation in this important national initiative. For any guidance regarding the process, the IQAC Cell of the college may be contacted during office hours.

Your cooperation in this regard is earnestly solicited.
